Alfa Vision Bridge Installation Instructions

- 1. You will need to download the bridge file from the Alfa website at: http://www.alfapolicy.com/
- 2. Log in to the Alfa Vision site.

3. Click on the Producers menu

4. From the **Producers** menu, click on the **Downloads** menu and select **Download Bridge.**

- 5. Select the state that you want to download the bridge for.
- 6. Select ITC from the Select Rater entry field.

7. Click on the **Click here to get the Bridge** link to start the download. THE VISION INSURANCE GROUP, LLC Representing Alfe Insurance Companies

8. Before the download begins, you will be taken to this screen for additional instructions.

** It is critical that the producer code be entered correctly in the box that is highlighted red. This should be a 6 or 8 digit numb producers it should only be six (6) digits. For sub-producers this field will be eight (8) digits with **no dashes or spaces**.

9. Once the download begins (after clicking on the <u>click here</u> link on that page), a File Download box will appear. Click Run to download and install the bridge file in one step or click Save to download the file to your computer and then run the file once the download is complete (you will need to remember where you saved the file to run it).
